## Flavorite: Australia's largest glasshouse operator

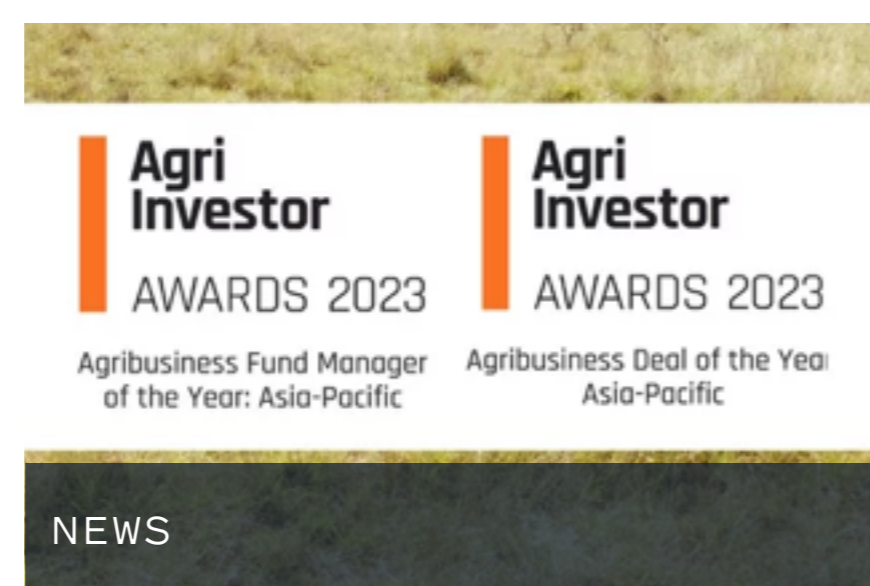

With over 70ha of produce under glass, Flavorite is a pioneer in glasshouse farming. A fully integrated business with dedicated nursery facilities that grows, packs and markets fresh produce right across Australia. Spanning four regional Victoria farms, Flavorite's glasshouse growing approach sets the benchmark for sustainable growing systems. Hear from Flavorite CEO, Mike Nichol about three decades of innovation and growth in glasshouse farming and year-round premium produce.
